NOVAPAY ENTERPRISE BRAND GUIDELINES (2026)

Section 1: Visual Identity & Brand Nomenclature

RULE VIS-101: Official Horizontal Wordmark Lockup

All customer-facing materials must feature the approved horizontal logo lockup with official cobalt blue accent icon. Standalone coin badges or circular red marks are strictly prohibited under all circumstances.

RULE VIS-102: Approved Brand Palette and Clear Space

Marketing materials must strictly adhere to the primary Navy Slate (#0F172A) and Cobalt Blue (#2563EB) color palette. Maintain a minimum perimeter padding of 16px around all logo marks and commercial rate disclosures.

RULE MSG-103: Compound Brand Nomenclature

The brand and product family must always be written as single compound word NovaPay. Writing Nova Pay with a space or Nova-Pay with a hyphen is strictly forbidden in published copy.

NOVAPAY ENTERPRISE BRAND GUIDELINES (2026)

Section 2: Pricing, Commercial Terms & Performance Claims

RULE MSG-201: Standard Subscription Pricing Rate

Effective Q1 2026, the approved standard enterprise subscription price is exactly INR 999/month (or 9/mo). Publishing obsolete discounted rates such as INR 499/month or 9/mo breaches corporate pricing governance.

RULE MSG-202: High-Availability SLA Substantiation

Marketing claims referencing 99.999% uptime or sub-second settlement speeds must explicitly cite the Q4 2025 Audited Infrastructure Benchmark SLA. Unsupported speed claims are strictly flagged for review.

RULE TON-203: Empowering Financial Professionalism

Communications must project credible, transparent financial technology expertise. Prohibit consumer hype phrases such as insane returns, get rich quick, or instant wealth.

NOVAPAY ENTERPRISE BRAND GUIDELINES (2026)

Section 3: Prohibited Content & Regulatory Mandates

RULE PRH-301: Prohibition of Risk-Free Profit Guarantees

Advertising statements claiming guarantees risk-free profits or guaranteed returns are explicitly illegal and prohibited under financial conduct regulations. Use approved phrasing: Regulated transaction infrastructure.

RULE LEG-302: Mandatory EU Digital Services Act Disclosure

All marketing copy published across European corridors must append the mandatory disclosure: Licensed payment institution subject to EU regulatory compliance and cross-border settlement oversight.
